

aXtion Extreme for iPad mini A17 Pro

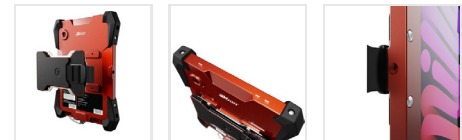

Engineered for hazardous environments, the aXtion Extreme Case for iPad mini A17 Pro delivers certified explosion protection, MIL-STD-810H protection, and certified internationally and for Europe.

SKU: HTA3021

The aXtion Extreme Case for iPad mini A17 Pro is designed and purpose-built to provide uncompromising safety and rugged durability for frontline workers in oil & gas, energy & utilities, manufacturing, and mining industries where protection against potentially explosive atmospheres is critical. It is a first-of-its-kind third-party certified enclosure, designed and purpose-built for hazardous environments, IECEx and ATEX certified for Zone 1 and Zone 21 atmospheres.

Designed for field engineers, site inspectors, safety managers, and industrial technicians, this case enables seamless device access, secure handling, and hands-free operation, enhancing efficiency and connectivity in the most demanding conditions. Built for endurance, it features an aerospace-grade aluminum enclosure, IP68 waterproofing, MIL-STD-810H drop protection, and integrated mounting solutions. Empowering professionals to work safely and productively.

- Third Party Certification – IECEx and ATEX Certified for IECEx Zone 1 and Zone 21 hazardous locations
- Environmental Compliance: RoHS and REACH compliant, ensuring adherence to global environmental and safety regulations
- Industrial-Grade Protection: Certified drop protection with MIL-STD-810H compliance (122cm/4ft drop resistance)
- Aerospace-Grade Enclosure: Made with premium aluminum alloy for maximum strength and lightweight design
- Enhanced Safety Features: Stainless steel IO port with a secure latch that prevents accidental disconnections, ideal for hazardous locations
- Chemical Resistant: Built to withstand exposure to various chemicals, ensuring durability in harsh work conditions

BENEFITS

- Expand Usability
- High Quality
- Improve Efficiency
- Increase Mobility
- Peace of Mind
- Protect Investment

TECHNICAL SPECIFICATIONS

The information on this data sheet is subject to change at any time at the discretion of The Joy Factory

- Case Specifications:
- 1 Dimensions: 9.76" x 7.57" x 1.06"
 - 2 Weight: 2.43 lbs. (Enclosure only)
 - 3 Shockproof Rating: MIL-STD-810H
 - 4 Waterproof Rating: IP68
 - 5 IECEx Compliance:
 - Ex db IIC T6 Gb
 - Ex tb IIIC T85°C Db
 - 6 ATEX Compliance:
 - Ex II 2G Ex db IIC T6 Gb
 - Ex II 2D Ex tb IIIC T85°C Db
 - 7 Compatible Models: Apple iPad mini A17 Pro (A2993 and A2995)

- Case Features:
- 1. Seamlessly integrated power and volume buttons
 - 2. Reinforced corners
 - 3. Rear-facing camera fully functional
 - 4. Aerospace-grade aluminum alloy enclosure
 - 5. VESA 75 mounting compatible
 - 6. Premium adjustable anti-static leather hand strap
 - 7. Regulatory label of IECEx and ATEX Certified for Zone 1/21 Hazardous Locations
 - 8. Shoulder strap ports
 - 9. Stainless steel IO port with latch
 - 10. Pressure-resistant, multi-layered composite, anti-glare glass screen protector
 - 11. ¼" Universal Mounting 1/4-20 (UNC)
