

aXtion Extreme MP for iPad 10.9-inch 10th Gen

Rugged and Certified Protection for iPad 10.9" in Hazardous Locations (iPad not included)

SKU: CWA657MP

Maximize productivity in the field with this rugged case for the iPad 10.9" (10th Gen), expertly designed for safety and functionality in extreme environments. Certified for hazardous locations, this case meets stringent industry standards for sectors such as oil, gas, mining, and manufacturing. With certifications including Class I Div 2, Class II Div 2, and Class III Div 1 & 2, Groups A - D, F, and G, it provides reliable protection across various applications.

The durable design offers exceptional shielding against drops, shocks, dust, and severe weather conditions, ensuring your device remains secure in the toughest environments. Hands-free mounting options, including MagConnect compatibility, a rotating hand strap, and a multi-angle kickstand, provide easy access and usability in any setting.

Engineered for the most demanding conditions, this case guarantees both your safety and your iPad's longevity, allowing you to work confidently and effectively under hazardous circumstances.

- **Hazardous Location Certifications:** Safe for use in extreme environments, including oil, gas, manufacturing, and mining, with Class I Div 2, Class II Div 2, Class III Div 1 & 2, Groups A - D, F & G certifications
- **Military-Grade Protection:** MIL-STD-810H certified for shock resistance, ensuring your tablet remains protected
- **Waterproof and Dustproof:** IP68 rating allows for submersion for easy cleaning, ideal for inclement weather conditions
- **Hands-Free Compatibility:** Works with all MagConnect mounts for effortless use in dynamic work environments
- **Functional Design:** Features a built-in screen protector, cable lock slot, button and port covers, rotating hand strap, and multi-angle kickstand
- **Enhanced Mobility:** Can be paired with optional accessories like the Universal Shoulder Strap and Harness for added convenience

Disclaimer: The iPad must be installed in the case by a technician at our certified installation centers. Removal of the iPad from the case voids certification.

BENEFITS

- Expand Usability
- High Quality
- Improve Efficiency
- Increase Mobility
- Peace of Mind
- Protect Investment
