

MagConnect Magnet Single Arm Mount Only

Carbon Fiber Magnet Mount Only

SKU: MMU117

The MagConnect Magnet Mount for tablets can be attached securely to any metal ferrous surface for a strong and temporary installation. The lightweight magnetic mount is built with four strong, rare earth magnets to provide a sturdy solution for mounting a tablet in work environments like warehouse floors, back-end restaurant fridges, and more. This mounting solution also creates a shared workstation wherever it is temporarily installed. When not in use, this portable magnet mount can fold away for storage.

- Attaches easily to any metal surface for semi-permanent installation
- Built with spherical ball joints and a lightweight carbon fiber arm for near-infinite angle adjustment
- Folds away when not in use
- Features MagConnect magnetic connection technology for quick mounting and dismounting with all MagConnect cases
- Extremely portable

Benefits

- Configurable
- Ergonomic
- High Quality
- Ease of Use
- Expand Usability
- Increase Productivity

Features

360° Rotation
