Tablet Solutions for the Mobile Workforce

What makes The Joy Factory's tablet accessory solution different?

The Joy Factory is a global manufacturer of leading tablet mounting, cases, enclosures, kiosks, and mobility accessory products. The company has been enhancing the human interaction with digital devices for over half a decade and has quickly become an essential rugged solution provider for a wide variety of industries. These solutions are designed to meet the needs of businesses in a variety of industries, including manufacturing, oil & gas, construction, transportation, healthcare, government, energy & utilities, and retail.

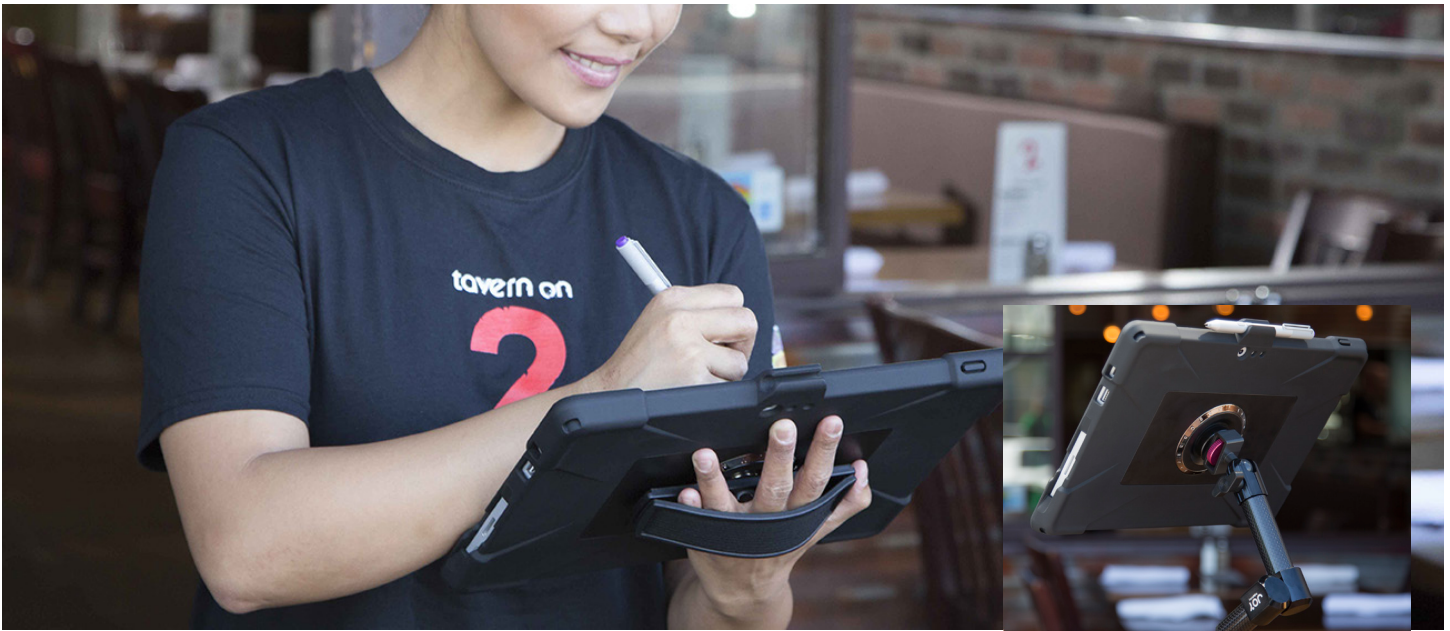

The Joy Factory's unique P.S.P. (Protect, Secure & Position) philosophy is what sets it apart from the competition. The company's patented and patent-pending brands, MagConnect™, aXtion®, Unite™, and Elevate™, are all based on this philosophy. This philosophy allows users to stay active, engaged, and feel secure with their device on a daily basis.

Our portfolio of business-class solutions includes:

- Lightweight & Heavy Duty Mounts
- Rugged Waterproof Enclosures
- Commercial-Grade Kiosk Solutions
- Accessories that secure and expand the power of a mounted tablet

How to...

build your solution

aXtion® Rugged Tablet Cases

aXtion cases are designed to protect your tablet from the elements and the rigors of everyday use. Whether you're working in the field, exploring the outdoors, or just taking your tablet on a day out, aXtion has you covered. aXtion cases are made from durable materials that can withstand drops, bumps, and water. They also feature a variety of features that make them easy to use and keep your tablet safe. With aXtion, you can take your tablet anywhere you go with confidence. Choose from a variety of cases to fit your needs and style. Order your aXtion case today and start enjoying the freedom and protection that aXtion has to offer.

Case Solutions

To choose the best mounting solution for your needs and environment, it is important to select a case that will protect your device from incidentals. Our aXtion line of cases is designed to protect businesses' tablet investments by protecting them from accidental drops and, in some cases, water damage. The aXtion Edge line is designed to keep your device safe from drops and features a thin profile. If you need a more robust case, the aXtion Bold line offers drop protection plus water-resistance. This line also includes other built-in features. The aXtion Go line offers both drop protection and water-resistance in a thin profile. Some environments require waterproof protection. The aXtion Slim line of cases offers waterproof protection while maintaining an ultra-slim profile. The aXtion Pro line is designed to provide that level of protection plus more robust drop-proof protection, along with some added features and technologies.

MagConnect™ Tablet Mounting Solutions

The MagConnect mounting system is built to help bridge the gap between a tablet and it's environment. Each mount is designed with a unique mount base to work in a variety of permanently fixed or temporary settings for both flat and round surfaces and across various industries. Each mount features a patented magnetic connector that makes attaching and removing the tablet rapid.

There are two mount lines within the MagConnect system. The first are crafted of high-quality carbon fiber arms. This advanced material is surprisingly lightweight yet incredibly strong. The powerful combination of carbon fiber with carefully designed joints produces mounts that are both easy to maneuver and sturdy to use. The second is our HD series which feature robust durability and boast vibration and shock resistance with MIL-STD-810G 514.7 certification. They've been tested to withstand use in industrial environments and are sure to keep the device in place.

Image	Product Description	Details
	MagConnect™ HD Single Arm Forklift Pole (up to 3" wide) Mount Quick connect tablet mount with square/flat or round surface base for high vibration environments Features • Compatible with MagConnect compatible cases • Adjusts to any square/flat or round surface maximum 3" • Certified vibration/shock resistant MIL-STD-810G 514.7 • Built with two spherical rubber coated ball joints • Made with corrosion-resistant material • Features cable management, 360 degree rotation, shock and vibration resistance, and near infinite adjustability • Optional locking lever for usage in public spaces	Material: Aluminum Alloy Weight: 2.2 lbs (38mm) 2.1 lbs (26mm) Arm Length: 5.25" x 1 Ball Joint Size: 38mm (1.5") 26mm (1") Total Length: 12.65" (38mm) 12.49" (26mm) Mount Load Capacity: Up to 15 lbs (38mm) Up to 10 lbs (26mm) Connection: MagConnect Base Specifications: Fits square/flat or round surfaces up to 3" thick Model Number: MMU330 (38mm) MSRP: \$159.99 Model Number: MMU230 (26mm) MSRP: \$139.99

Image	Product Description	Details
	MagConnect™ HD Universal Adhesive Mount Quick connect tablet mount with drill down/adhesive base for high vibration vehicle dashboards Features • Compatible with MagConnect compatible cases • Semi-permanent installation onto a flat/near flat surface • Certified vibration/shock resistant MIL-STD-810G 514.7 • Base attaches via industrial grade 3M VHB adhesive or screws (not included) • Built with two spherical rubber coated ball joints • Made with corrosion-resistant material • Features cable management, 360 degree rotation, shock and vibration resistance, and near infinite adjustability • Optional locking lever for usage in public spaces	Material: Aluminum Alloy Weight: 1.19 lbs (38mm) 1.09 lbs (26mm) Arm Length: 5.25" x 1 Ball Joint Size: 38mm (1.5") or 26mm (1") Total Length: 8.44" (38mm) 8.14" (26mm) Mount Load Capacity: Up to 15 lbs (38mm) Up to 10 lbs (26mm) Connection: MagConnect Base Specifications: Affixes via 3M Industrial Grade VHB, or 4 screws, base diameter is 3.9" Model Number: MMU331 (38mm) MSRP: \$109.99 Model Number: MMU231 (26mm) MSRP: \$89.99
	MagConnect™ HD AMPs Mount Quick connect tablet mount with universal heavy duty AMPs base for high vibration environments Features • Compatible with MagConnect compatible cases • Drill down base has an AMPs 30x38mm pattern for universal compatibility • Certified vibration/shock resistant MIL-STD-810G 514.7 • Built with two spherical rubber coated ball joints • Made with corrosion-resistant material • Features cable management, 360 degree rotation, shock and vibration resistance, and near infinite adjustability • Optional locking lever for usage in public spaces	Material: Aluminum Alloy Weight: 1.16 lbs (38mm) 1.06 lbs (26mm) Arm Length: 5.25" x 1 Ball Joint Size: 38mm (1.5") or 26mm (1") Total Length: 7" (38mm) 8.18" (26mm) Mount Load Capacity: Up to 15 lbs (38mm) Up to 10 lbs (26mm) Connection: MagConnect Base Specifications: Affixes via AMPs 30x38mm pattern Model Number: MMU332 (38mm) MSRP: \$119.99 Model Number: MMU232 (26mm) MSRP: \$99.99
	VESA 75/100 HD AMPs Mount Universal heavy duty AMPs mount for high vibration environments Features • Compatible with devices that utilize VESA 75x75mm, 100x50mm and 100x100mm patterns • Drill down base has an AMPs 30x38mm pattern for universal compatibility • Certified vibration/shock resistant MIL-STD-810G 514.7 • Built with two spherical rubber coated ball joints • Made with corrosion-resistant material • Features cable management, 360 degree rotation, shock and vibration resistance, and near infinite adjustability • Optional locking lever for usage in public spaces	Material: Aluminum Alloy Weight: 1.51 lbs (38mm) 1.41 lbs (26mm) Arm Length: 5.25" x 1 Ball Joint Size: 38mm (1.5") or 26mm (1") Total Length: 7.84" (38mm) 7.12" (26mm) Mount Load Capacity: Up to 15 lbs (38mm) Up to 10 lbs (26mm) Connection: Universal Base Specifications: Affixes via AMPs 30x38mm pattern Model Number: MVU332 (38mm) MSRP: \$119.99 Model Number: MVU232 (26mm) MSRP: \$99.99

	MagConnect™ Tripod Mount Carbon Fiber Tripod & Microphone Stand Mount Only Features • Attaches to a standard ¼"-20 tripod & standard ⅝"-27 microphone stand • Compatible with all MagConnect tablet holders/cases • Mount built with a lightweight durable carbon fiber arm • Highly flexible joints allow up to 360° rotation • Equipped with spherical joints for ultimate positioning • Magnetic connection for quick mounting & dismounting	Material: Carbon Fiber Weight: 0.45 lbs Length: 6" arm x 1 Total Span: 8" Joints: 0.79" spherical joint at base x 1, 0.79" spherical joint at tablet connection x 1 Connection: MagConnect Mount Load Capacity: Up to 1.5 lbs Base Specifications: Attaches to standard ¼"-20 tripod & standard ⅝"-27 mic stand Microphone Stand Installation: First attach microphone adapter to microphone stand. Then attach microphone stand with adapter to mount base. Model Number: MMU101 MSRP: \$69.99
	MagConnect™ C-Clamp Mount Carbon Fiber C-Clamp Mount Only Features • Adjusts to any flat surface maximum 1.67" and any round surface maximum 1.67" and minimum 0.38" • Compatible with all MagConnect tablet holders/cases • Mount built with a lightweight durable carbon fiber arm • Highly flexible joints allow up to 360° rotation • Equipped with spherical joints for ultimate positioning • Magnetic connection for quick mounting & dismounting	Material: Carbon Fiber Weight: 0.8 lbs Length: 6" arm x 1 Total Span: 11.875" - 13.625" Joints: 0.79" spherical joint at base x 1, 0.79" spherical joint at tablet connection x 1 Connection: MagConnect Mount Load Capacity : Up to 1.5 lbs Base Specifications: Adjusts to any flat surface maximum 1.67" and any round surface maximum 1.67" and minimum 0.38" Model Number: MMU102 MSRP: \$89.99
	MagConnect™ C-Clamp Dual Arm Mount Carbon Fiber C-Clamp Dual Arm Mount Only Features • Adjusts to any flat surface maximum 1.67" and any round surface maximum 1.67" and minimum 0.38" • Compatible with all MagConnect tablet holders/cases • Mount built with lightweight durable carbon fiber arms • Highly flexible joints allow up to 360° rotation • Equipped with spherical joints for ultimate positioning • Magnetic connection for quick mounting & dismounting	Material: Carbon Fiber Weight: 1.35 lbs Length: 5.75" arm x 2 Total Span: 16.5" Joints: 1" spherical joint at base x 1, 0.79" spherical joint at tablet connection x 1 Connection: MagConnect Mount Load Capacity : Up to 1.5 lbs Base Specifications: Fits flat surfaces up to 1.625" and round surfaces from 0.34375" to 1.625" Model Number: MMU116 MSRP: \$159.99

Image	Product Description	Details
	MagConnect™ Clamp Mount Carbon Fiber Clamp Mount Only Features • Fits flat surfaces up to 3.375" thick • Compatible with all MagConnect tablet holders/cases • Mount built with lightweight durable carbon fiber arms • Highly flexible joints allow up to 360° rotation • Equipped with spherical joints for ultimate positioning • Magnetic connection for quick mounting & dismounting	Material: Carbon Fiber Weight: 2.6 lbs Length: 10.5" arms x 2 Total Span: 27.25" - 30.5" Joints: 1" spherical joint at base x 1, 360° joint between arms x 1, 0.79" spherical joint at tablet connection x 1 Connection: MagConnect Mount Load Capacity: Up to 1.5 lbs. Base Specifications: Fits flat surfaces up to 3.375" thick Model Number: MMU103 MSRP: \$179.99
	MagConnect™ Desk Stand Carbon Fiber Desk Stand Only Features • Weighted base offsets the weight of the device allowing for multi-angle positioning • Compatible with all MagConnect tablet holders/cases • Mount built with a lightweight durable carbon fiber arm • Highly flexible joints allow up to 360° rotation • Equipped with spherical joints for ultimate positioning • Magnetic connection for quick mounting & dismounting	Material: Carbon Fiber Weight: 1 lbs Length: 6" arm x 1 Total Span: 8.375" Joints: 0.79" spherical joint at base x 1, 0.79" spherical joint at tablet connection x 1 Connection: MagConnect Mount Load Capacity: Up to 1.5 lbs Base Diameter: 5.69" Model Number: MMU111 MSRP: \$89.99
	MagConnect™ Wall Counter Dual Arm Mount Carbon Fiber Wall Counter Dual Arm Mount Only Features • Semi permanent installation to any flat surface • Attaches to vertical or horizontal surfaces both upright and upside down • Compatible with all MagConnect tablet holders/cases • Mount built with lightweight durable carbon fiber arms • Highly flexible joints allow up to 360° rotation • Equipped with spherical joints for ultimate positioning • Magnetic connection for quick mounting & dismounting	Material: Carbon Fiber Weight: 1.56 lbs Total Span: 12.75" Joints: 1" spherical joint at base x 1, 360° joint between arms x 1, 0.79" spherical joint at tablet connection x 1 Connection: MagConnect Mount Load Capacity: Up to 1.5 lbs Base Specifications: Base diameter 1.85" Model Number: MMU104 MSRP: \$159.99
	MagConnect™ Pole Mount Carbon Fiber Pole Mount Only Features • Rigid composite fiber glass clamp pole construction for durability in mind • Three individual inserts to accommodate poles between 0.78" to 1.25" in diameter • Can be used as a second arm to hold another tablet device or peripheral in a POS environment • Mount built with a lightweight durable carbon fiber arm • Highly flexible joints allow up to 360° rotating • Magnetic connection for quick mounting & dismounting	Material: Carbon Fiber Weight: 1 lbs Length: 6" arm x 1 Total Span: 8.875" Joints: 0.79" spherical joint at base x 1, 0.79" spherical joint at tablet connection x 1 Connection: MagConnect Mount Load Capacity: Up to 1.5 lbs Base Specifications: 0.78" to 1.25" Model Number: MMU118 MSRP: \$79.99

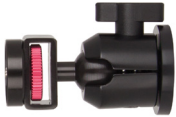

Image	Product Description	Details
	MagConnect™ On-Wall Mount On-Wall Mount Only Features • Semi permanent installation to any flat surface • Compatible with all MagConnect tablet holders/cases • Equipped with spherical joints for ultimate positioning • Magnetic connection for quick mounting & dismounting	Material: Aluminum Alloy Weight: 0.5 lbs Total Span: 3.375" Joints: 11" spherical joint at base x 1 Connection: MagConnect Mount Load Capacity : Up to 1.5 lbs Base Diameter: 1.85" Model Number: MMU115 MSRP: \$69.99
	MagConnect™ Magnet Single Arm Mount Carbon Fiber Magnet Single Arm Mount Only Features • Extremely portable • Compatible with all MagConnect tablet holders/cases • Mount built with a lightweight durable carbon fiber arm • Highly flexible joints allow up to 360° rotation • Equipped with spherical joints for ultimate positioning • Magnetic connection for quick mounting & dismounting	Material: Carbon Fiber Weight: 1.2 lbs Total Span: 9" Joints: 1" spherical joint at base x 1, 0.79" spherical joint at tablet connection x 1 Connection: MagConnect Mount Load Capacity : Up to 1.5 lbs Base Specifications: Base diameter 2.75", attaches to ferrous metals Model Number: MMU117 MSRP: \$129.99
	MagConnect™ HD Seat Bolt Mounts Dual Extension Heavy Duty Dual Extension Arm Seat Bolt Mount Only designed for trucks and commercial vehicles Features • Mount attaches to passenger seat; is compatible with a wide range of makes and models • Compatible with all MagConnect tablet holders/cases • Dual extendable arms expand the reach up to 31" • Highly flexible joints allow up to 360° rotation • Equipped with spherical joints for ultimate positioning • Magnetic connection for quick mounting & dismounting	Material: Aluminum alloy Weight: 2.27 lbs Total Span: 31" Joints: 1" spherical joint at base x 1, 0.79" spherical joint at tablet connection x 1 Connection: MagConnect Maximum load capacity: 5.5 lbs Base Specifications: 180° bracket x 1, 90° raiser bracket x 1, 90° bracket x 1 Model Number: MMU205 MSRP: \$229.99
	MagConnect™ VESA 50 75 100 Mount (Silver) VESA 50 75 100 Mount with quick connect capability Features • VESA 50 75 100 compatible • Allows users to expand the usage of existing equipment by making it MagConnect compatible • Highly flexible joint allows up to 360 degree rotation • Magnetic connection for quick mounting & dismounting • Precision dial can be used to reinforce the tablet connection onto the mount • Easy-to-clean making it ideal for any healthcare setting	Material: Carbon Fiber Weight: 0.54 lbs Depth: 3.5" Width: 3.5" Height: 3.75" Joints: 1" spherical joint at base Connection: MagConnect Model Number: MMU137S MSRP: \$89.99

Image	Product Description	Details
	MagConnect™ Fairfield Style Heavy Duty Rail Dual Arm Mount (Silver) Silver Carbon Fiber Fairfield Style Heavy Duty Rail Dual Arm Mount Features • Compatible with Fairfield Heavy Duty Rail systems for hospital headwalls • The mount's base quickly attaches to the rail system on a headwall • Mount's arm reaching out up to 12.5" making it easier to monitor patient's vitals • Built with a spherical ball joints & two lightweight durable carbon fiber arms for near-infinite angle adjustment • Features MagConnect magnetic technology for quick mounting & dismounting • Built with spherical ball joints & a lightweight carbon fiber arm for near-infinite angle adjustment	Material: Carbon Fiber Weight: 1.23 lbs Length: 5.75" Arm x 2 Total Span: 12.5" Joints: 1" spherical joint at base and tablet connection, locking 360° joint between arms Connection: MagConnect Maximum load capacity: Up to 13 lbs Base Specifications: Fits Fairfield Style Heavy Duty Rail Systems Model Number: MMU128S MSRP: \$169.99

Accessories

Helping provide a hands free work environment is at the core of our product offerings, these accessories aid in that. Utilizing a tablet on the go can become cumbersome so we've created a line of universal accessories to allow users to be hands free to get the task at hand completed effortlessly. Select from any number of accessories below.
